### **JOB SEARCH STRATEGIES IN A TOUGH MARKET**

It's no secret that the downturn in the economy has caused the legal employment market to contract somewhat. But plenty of jobs still are available. Interested in learning more about how to pursue your career in this tough market? Come hear Carey L. Bertolet, a partner in BCG Attorney Search, share some valuable job-hunting tips. 1Ls, 2Ls and 3Ls are welcome to attend. After Ms. Bertolet speaks and answers questions from the audience, you are invited to join us for a reception with hot and cold hors d'oeuvres on the 2nd floor of Barrack, right next to the Career Planning suite. This event has been brought to the Law School courtesy of *J.D. Jungle*.
