BCG Attorney Search-The #1 Legal Recruiter

August 31, 2009

August 2009-As the premiere, online legal recruiter, BCG Attorney Search is pleased to provide a one-stop shop for law firms seeking out the best, most qualified candidates for their practice and attorneys seeking new employment opportunities.

BCG Attorney Search was created to serve the comprehensive needs of the US legal community. Designed to unite lawyers looking to advance their career and law firms looking to enhance their practice, BCG Attorney Search recruiters place more attorneys each year than legal recruitment agency competitors. In 2007, BCG Attorney averaged over one attorney placement each business day nationally.

BCG Attorney Search was founded in January 2000 by A. Harrison Barnes. Under Barnes' direction as CEO, BCG Attorney search has quickly become the industry leader, recognized as the largest legal recruiting firm in the United States. Barnes and his team of recruiters operate under the belief that the sole purpose of their careers is to secure attorneys the type of position they desire, law firms the type of candidates they deserve and to positively change people's lives.

In pursuit of this result, A. Harrison Barnes only employs the most committed of individuals. The majority of BCG Attorney Search recruiters are former attorneys who recognize the dedication and diligence required to discover, interview and secure the legal job of your dreams. Recruiters for BCG Attorney Search pride themselves on working longer and harder hours to fulfill BCG Attorney Search's client's need than their previous legal clients.

BCG Attorney Search was the first company launched by CareerMission. CareerMission is the world's largest affiliation of companies dedicated to helping professionals find jobs, and the parent company of some of the industry's most respected organizations. As CareerMission's flagship company, BCG Attorney Search has developed and has access to a range of services unrivaled by any other American legal recruitment company.

To date, Barnes and the recruiters of BCG Attorney Search have placed thousands of attorneys worldwide.
