The 2002 BCG Attorney Search Guide To Class Ranking Distinctions And Law Review Admission At America's Top 25 Law Schools

BCG is a leader in original research. In March 2002, BCG Attorney Search released The 2002 BCG Attorney Search Guide To Class Ranking Distinctions And Law Review Admission At America's Top 25 Law Schools (the BCG Guide) to many of the nation's premier law firms. Because there are as many different grade scales, honors and law review requirements as there are law schools, the BCG Guide was written to de-mystify what it means to be at the top of the class at the best law schools around the country. This guide was the product of more than 2500 surveys, and six months of research.
