

# Patent Agent Recruiter

## Firm Overview

BCG Attorney Search is a top legal recruiting firm that places patent agents with well-known firms. We have fifteen years of experience, and provide the same level of dedication, confidentiality, and commitment to each attorney and client as when we started. We understand that each client and candidate has specific needs, so we put forth every effort to pre-screen each candidate based on the requirements of each client.

As a potential employer, you can submit patent agent jobs directly to us by giving us a call at 800-298-6440. This will allow you to speak with a legal recruiter in your area who you can communicate with directly and specify exactly what candidate you're looking for. We have a very successful track record of matching candidates with firms that are a good match for each other, and look forward to being able to help you find the perfect fit for your firm.

As a patent agent looking for a position, you can take a look at [all of our open positions for patent agents here](#). This listing page shows you all of the current locations where we currently have clients with openings in this position, which allows you to further narrow down your search. Rest assured that our experienced recruiters will walk you through each step of the process, and give you inside information about the firms, prepare you for each interview, and be there for you until you are safely in your new position.

Please contact us directly if you have any questions about our services. We look forward to helping each individual candidate and client achieve the best results possible.
