What the Coronavirus Means for the Legal Economy and Your Attorney Job Search: What You Need to Know and Do

By [Harrison Barnes](#), Managing Director

We are in for a different kind of legal job market recession that will be meaner, longer, and more devastating than anything we have ever seen.  
The coronavirus recession is going to destroy countless legal careers and prevent tens of thousands of them from ever starting.

This article will help you survive this recession.

It may be the most important article you ever read in your career.
