

Best Law Firms in Miami, FL

Best Law Firms in Miami Florida

In the recent past, Miami has experienced a tremendous and steady economic growth rate that has seen the emergence and growth of several industries. A recent report published by SmartAdvisory ranked the city fourth in the league of the fastest-growing economic hubs in the United States. And that's not just it. In the last four years, the city has seen its population grow by over 9.43%, with housing and household income increasing by 9.43% and 31%, respectively. In 2019 alone, Miami created over 28000 new jobs, mainly from tourism hospitality, construction, and retail sectors. As anyone would expect, the immense growth in these businesses has spurred the need for ancillary services such as banking and real estate. As a result, there is an increased demand for law practitioners, which has seen more and more law firms move or expand their services to the city.

How much does an attorney earn in Miami?

On average, Lawyers in Miami earn a salary of \$93,234 though salaries can range between \$80,980 and \$107,090. The salary range varies widely depending on key factors such as education, certifications, additional skills, and the level of experience.
